

SEJAL UPADHYAY

Software Engineer | Web Developer

📍 Mainpuri, Uttar Pradesh | 📞 +91 8077894243 | ✉️ sejalu35@gmail.com
GitHub: <https://github.com/Sejal35-del>
Live Project: <https://it-stress-new.onrender.com>

Professional Summary

Motivated Information Technology diploma student with hands-on experience in Python, Django, Flask, Machine Learning and Web Development. Developed and deployed a live Machine Learning-based Stress Detection Web Application on Render. Passionate about solving real-world problems and seeking an entry-level Software Engineer or Web Developer opportunity.

Technical Skills

- **Programming:** Python, JavaScript
- **Frameworks:** Django, Flask, Bootstrap
- **Web:** HTML5, CSS3
- **Databases:** MySQL, SQLite
- **Machine Learning:** Scikit-learn, NumPy, Pandas
- **Tools:** Git, GitHub, VS Code, Render

Projects

1. Stress Detection Web Application

Technologies: Python, Flask, Machine Learning, SQLite, HTML, CSS, Bootstrap

- Built a complete ML-based stress prediction web application.
- Implemented user registration, login and session management.
- Integrated Random Forest model for prediction.
- Displayed prediction results with graphical visualization.
- Successfully deployed the application on Render.

Live Demo: <https://it-stress-new.onrender.com>

2. Biotech Park Lucknow Project

Technologies: Python, Django

- Developed an academic web application with backend logic and database integration.

3. E-Cart Web Application

Technologies: Python, Django, HTML, CSS, Bootstrap, JavaScript

- Developed a responsive e-commerce web application.

Education

Diploma in Information Technology

Km. Mayawati Government Girls Polytechnic, Badalpur, Gautam Buddha Nagar

Duration: 2022–2026

Expected Completion: 2026

Current Aggregate: 74%

Class X (High School)

Year: 2022

Percentage: 78.73%

Certifications

- Python with Django Certification
- Multiple Technical Skill Certificates

Soft Skills

- Problem Solving
- Quick Learner
- Communication
- Teamwork
- Adaptability
- Time Management

Languages

Hindi | English

Career Objective

To start my career as a Software Engineer or Web Developer where I can apply my technical knowledge, continuously learn, and contribute to innovative software solutions.
